MUSKERRY ANTHEM

Raise we our flag on high, green, red and blue.

There on a sunny slope she beckons you.

We can go wandering down where the Shournagh's meandering,

No place is dearer than Muskerry our home.

Out by the Angler's Rest, past Healy's Bridge,

There lies an emerald green over the ridge.

We can go wandering, down where the Shournagh's meandering,

No place is dearer than Muskerry our home.

Come to this happy place out by Cloghroe,

Smiling and proud she stands, fearing no foe,

We can go wandering, down where the Shournagh's meandering,

No place is dearer than Muskerry our home,

No place is dearer than Muskerry our home.
